The Champagne Motors Rewards Program is easy and simple.

Once you become a member we will create for you your own Rewards account that can save you hundreds off the service and maintenance of your vehicle when you have it serviced here at Champagne Motor Company.

Use your rewards to save on future service, repairs, maintenance, and even the purchase of your next set of tires!

When you have your vehicle's service and maintenance performed at Champagne Motors, 10% of all qualified purchases will accrue in your Rewards Accounts. In addition receive bonus earnings when you:

- Purchase A Vehicle (\$50)
- Open a Goodyear Credit Card (\$25)
- Send us a referral who purchases a vehicle (\$50)
- Plus each account starts off with \$25 and we will even give you a \$25 bonus on your birthday!

Champagne Rewards

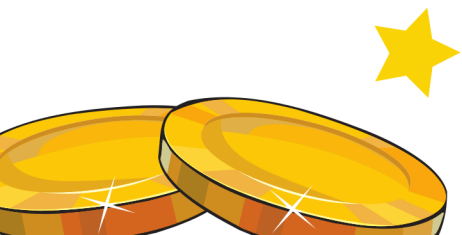

Champagne Motor Car's Rewards Program gives you a credit of 10% on everything you spend in Service or Parts. And since regular maintenance keeps your vehicle safe, you save money doing things you already do!

Signing up is quick and free and so is using your Rewards. You can use a few Rewards dollars at a time or save them up and use them in one big chunk all at once. We made it simple on purpose.

How People Use Rewards

Every Service and Parts purchase earns you new Champagne Rewards. Some people like to use their credit from one Service visit on their very next visit. Others like to save them up for the major maintenances or a new set of tires. It is completely up to you.

Bonus Rewards

When you sign up for Champagne Rewards we will give you \$25 Rewards to get you started. And we give you opportunities to earn bonus dollars for vehicle purchases, sending referrals. We'll even give you \$25 on your birthday!
